PROFILE

I'm a seasoned senior full-stack web developer with a passion for crafting exceptional digital experiences. With over 7 years of hands-on experience in the field, I bring a wealth of expertise in both front-end and back-end development to the table.

Throughout my career, I've had the opportunity to work on a diverse range of projects, from small-scale startups to large enterprise-level applications. My proficiency spans across a variety of technologies and frameworks including but not limited to HTML5, CSS3, JavaScript (ES6+), React, Vue, Node, Express, Python, Django, Flask, Spring Boot, Laravel, ASP.NET MVC, and SQL/NoSQL databases.
